With all of the structured activities and the strictly scheduled lives that kids have these days, many kids are left without any real time to just play!

Our 'Free Play' training session demonstrates how ordinary household items can be used for arts, crafts and creative 'child led' play.

This session will be held at Pimiehall Primary School on Tuesday 17th June from 3.30pm – 5.30pm and is entirely free.

To book your place simply contact Graham on 07463 783 042
or E-mail – g.clark@savethechildren.org.uk

- This course is free but places are offered on a first come first served basis and you must be over 16 years of age.
