# IS EDINBURGH “A CITY FOR ALL AGES”?

## Older Persons Discussion Group

The Edinburgh Voluntary Organisations Council is evaluating the Council’s older people’s strategy, A City for All Ages, and we are looking for the views of older people (aged 50+) in your area. We will be holding an open-door focus group so that we can hear your views on services provided, room for improvement, and how well you feel public services are sensitive to older people’s needs.

STOCKBRIDGE PUBLIC LIBRARY,  
11 HAMILTON PL, EDINBURGH EH3 5BA

MONDAY 14<sup>TH</sup> JULY  
2:00 – 3:30PM

We will provide tea and coffee, if you will provide your views! The event will be open-doors but have a limited capacity so please come early to avoid disappointment.
