

POVERTY

We're not having it!

The attacks on the NHS, wages, welfare and pensions alongside the lack of housing and the increase in fuel poverty and the many other cuts that are in the pipeline will bring serious consequences to many families.

We are asking people in North Edinburgh to come to our public meeting on Wednesday 13th June at the North Edinburgh Arts Centre at 6.30pm to hear the case against poverty and join the fightback. **WE ARE NOT HAVING IT !!**

An Anti-Poverty Charter has been created and will be handed in on parchment scrolls to each Councillor on the day of the next Full Council meeting at 9.30am. There will be a lobby of each Councillor and a Deputation speaking to the Full Council. **JOIN THE LOBBY on 28th JUNE. USE YOUR VOICE. SHOW THAT YOU ARE NOT HAVING IT !!**
