

Easter Egg Collection

Following the success of our 2014 Easter appeal, The Spartans Community Football Academy would like to continue our support to the people of North Edinburgh in 2015. Last year, we donated over 400 Easter Eggs to our local foodbanks. This year, we would like to offer support again to ensure that no child in our local community goes without an Easter Egg this Easter.

What can you do to help?

Between now and Wednesday 1st April, we are hoping to collect and donate 300+ Easter Eggs to donate to local foodbanks. If you can spare an egg then please donate and make a child happy this Easter!

Where can you drop off any donations?

Any donations can be dropped off at main office at **The Spartans Community Football Academy, Ainslie Park, 94 Pilton Drive, Edinburgh, EH5 2HF**. We will then arrange for all the eggs to be delivered to the foodbanks in time for Easter.
