

Vote Eilidh Mackay

Hello, I'm Eilidh, and I want to be your MSYP for Edinburgh North and Leith.

Why Me?

- I am passionate about being a voice for young people in my area and across Scotland
- I think there are important changes that need to be made for the benefit of young people in our country
- I have been a member of the Youth Issues forum for 4 years, proving my enthusiasm and meaning I know what issues are important to young people in Edinburgh
- I have a lot of experience in public speaking so won't be afraid to speak out about the issues that are important

My Main Issues

- Votes at 16
 - This is something I feel very strongly about; we have a voice that deserves to be heard
- Sex Education
 - I feel that there is a serious lack of proper sex ed in schools. This is an issue I've heard from a lot of people and one I promise to take forward
- School Dinners
 - Everyone knows school dinners are awful, so why has nothing changed? There needs to be a proper look taken at the quality and healthiness of what we serve to school students
