WATER OF LEITH CLEAN UP & Family Picnic

Organised by the Water of Leith Conservation Trust and supported by Inverleith Community Learning & Development and the Inverleith Summer Programme

Why not come along to our “ANNUAL RIVER CLEAN-UP” (trousers and long sleeves to avoid the nettles recommended)

This year we're aiming to be somewhere between Stockbridge Colonies and Redbraes Park
(depending on the particular circumstances on the day)

And so why not bring along a packed lunch/and or picnic stuff and sit and enjoy some friendly company after the clean up!

Sunday 28th June 2016 11 – 1.30 pm
