We very much would like to invite you to come along to 'Art in Granton' this Saturday and Sunday when granton:hub hosts a unique art exhibition at Madelvic House.

33 artists and 47 exhibits are being presented, with many, but not all depicting Granton/Edinburgh/the Forth. We are delighted that Kate Downie, who is featured in the invite artwork, will also present this major piece.

The diverse work by local and international artists covers many styles such as painting, photography, illustration, installation and crafts. Most works are for sale .

We look forward to welcoming you.

With best wishes
