

Public Event

City of Edinburgh Council Small Sites Programme West Pilton Grove

We are hosting a public information event to let you know about our emerging housing proposals for the regeneration of the existing development at West Pilton Grove. This event will give you an opportunity to meet the project team, who will be happy to answer any questions you may have. We hope you will attend, so that we can learn about local issues and ideas for us to consider before we submit a planning application.

Event details

12th April 2016, 11am – 7pm

**City of Edinburgh Council, North Neighbourhood Office,
8 West Pilton Gardens, Edinburgh EH4 4DP.**
