Present – Willie Black, Barbara Robertson, Liz Gould, Kenneth Williamson, Marjorie Williamson, Sophia Lycouris, Mariana Forsyth, Linda Garcia.

Apologies, Dave Pickering, Davidson's Mains history Group, Donald McDonald.

Discussion of way forward

We all agreed to build on Madelvic's past and to tie in with other developments such as the National Galleries' project and the Promenade development.

Particularly getting the message out that we want people to share their own history and knowledge.

Ideas included walks; talks; outings; temporary exhibitions; Gareth's project involving local youth and artists; facebook page for the history group; Gina's mobile link walks.

We are aware of the need for sustainability. This could be promoted by employing someone to run the facebook page and to ask other history groups in north Edinburgh to share this.

The group shared their links and connections - eg Muirhouse Photography Group; Muirhouse Memories; Newhaven History Group; D/Mains History Group; Power to the People Social History Group; Ian Rintoul - film producer

It was agreed to ask EDI/ CEC for the plans for the Waterfront Promenade.

Kenneth and Marjorie will send us details of the Newhaven Group also list of possible speakers for future events.

Sophia wishes to meet with Gareth and Gina to talk about her creative performance walks idea and to link with their sub-group.

Marianna will speak to Lynn McCabe with reference to the material already produced for a history tour/walk.

Barbara and Willie will keep contact with Donald McDonald and look at the funding applications (to be shared before submitting). Barbara to ask EDI for room use.

Date of next meeting Saturday August 13<sup>th</sup> 10.30-12noon.
