

Organisation	Local Authority	Award	Project summary
North East Arts Touring Limited	Aberdeenshire	£61,000	This group will work with young people aged 13-24 to promote a professional theatre/dance performance within their local community whilst also teaching them transferable skills in event and arts management. The young promoters will choose the performance, giving them a voice to influence the events held. Approximately 360 young people will take part in this two year project, supported by 324 volunteers.
Article 12 in Scotland	City of Edinburgh	£30,350	This group will use the funding to engage young people from Gypsy/Traveller communities in literacy and numeracy improvement programmes, and SQA personal achievement and core skills awards. Working across Edinburgh, Falkirk, Perth and the Highlands, 40 young people will be involved in the activity with 10 acting as volunteer peer educators.
Citadel Youth Centre SCIO	City of Edinburgh	£83,099	This project will use the funding to train and support young people, who are at risk of dropping out of education, to organise intergenerational activities with older people in their community in Leith. The project aims to develop the young peoples communication skills and to foster relationships between young and older people within the 12 to 16 week programme framework.
Community Enterprise Limited	City of Edinburgh	£75,000	This project will continue to support vulnerable young people, including those at risk of exclusion or leaving care, by providing creative educational and life skills opportunities to enable them to move closer into the job market through. The project will work with 48 young people and 3 volunteers over three years.
Kirkcudbright Development Trust	Dumfries and Galloway	£71,866	This group will use the funding to expand their youth work project in Kirkcudbright. They will continue to run their weekly youth club for children aged 9-11 and 12-17 with additional activities and trips during the weekend. Activities will include arts and crafts, games, cooking, and sports. Over three years 150 young people and 25 volunteers will benefit from the project.
Oasis Events Team	Dumfries and Galloway	£41,650	This group will use the funding to support young people to curate and deliver a programme of events and arts based activities across Dumfries and Galloway. Young people will have the opportunity to develop skills in events management and/or drama, and gain accredited qualifications. More experienced young people will offer peer support and mentor new participants. Over two years 180 people and 120 volunteers will benefit from the project.

Organisation	Local Authority	Award	Project summary
Alternatives Dundee Youth	Dundee City	£39,000	This group will further develop its counselling support and group work for young people aged between 12 and 25 in Dundee. The project will focus on those in need of emotional support as a result of risk-taking behaviour, pregnancy, termination or child loss. This project will engage with 230 young people over two years and create volunteering opportunities for a further 10 young people.
Front Lounge Limited	Dundee City	£99,579	This group will further develop its fashion and design programme for young parents in Dundee. It will run a series of workshops based on fashion and textile design where young parents will develop skills in sewing, knitting and fabric making. Young parents will also gain hands on experience of establishing and running a social enterprise. This project will engage with 60 young parents per year with 20 parents going on to gain accredited qualifications.
Showcase the Street	Dundee City	£62,000	This group will work in partnership with gaming students at Abertay University to deliver a series of workshops based on virtual reality gaming. These workshops will enable young people in Dundee to develop skills in gaming design, animation and audio recording, and there will be an opportunity to work towards accredited qualifications. This two-year project will support 300 young people aged between 10 and 18 as well as providing volunteering opportunities for a further 30 young people.
South Uist Youth Development Group	Eilean Siar	£37,975	This group will use this funding to support young people on Uibhist by using multimedia as a platform. The young people will learn about film making, participatory budgets for events and running a film night. They will also produce a virtual reality inter-generational project and plan an artwork/sculpture trail. This will benefit 120 young people and 5 volunteers.
LinkLiving Limited	Falkirk	£66,000	This project will support the continued delivery and development of 'Steps to Resilience' a personal development programme which provides trauma-informed support for young people who have had adverse childhood experiences and who are disengaged from school, training or employment. The project will involve 90 participants and 10 volunteers over 3 years.
Stenhousemuir Football Club Community Interest Company	Falkirk	£21,100	This club will use the funding to develop a youth sports coach development pathway for young people. Through a partnership with the local sports hub young people will develop key skills and gain formal qualifications in the sport of their choice. The group expect around 12-16 young people per year to access the pathway over three years with around 800 local young people benefiting from the sporting opportunities that will result from it.
Families First - St Andrews	Fife	£44,000	This group will use the funding to provide a number of group activities for children and young people to improve their emotional and social wellbeing through early intervention approaches. Families First (FF) based in St Andrews primarily supports children and young people that have additional support needs, learning disabilities, mental health issues and challenges in school and with poverty.

Organisation	Local Authority	Award	Project summary
Fife Gingerbread	Fife	£66,000	This group will use the funding to continue delivering the Fife Teen Parent Project (FTP). The project aims to improve the support offered to young parents and their children specifically working with vulnerable and disadvantaged teenage parent families to improve their mental and emotional health. Teen parents will be given the tools they require to effectively nurture and interact with their child giving both the best chance of an improved future. The young parents range from 16-19 years old.
Link East Fife Mental Health Befriending Project	Fife	£87,000	This group will continue their adolescent befriending project in east Fife and Levenmouth and will expand to provide the service in Glenrothes. The project helps young people aged 12 to 18 who have become socially isolated and emotionally withdrawn due to mental health issues by matching them with a befriender. Over three years this activity will benefit 70 young people with 62 volunteer benders.
Urban Target Detached Youth and Community Project	Fife	£81,282	This group will use the funding to work with children and young people aged 8-24 years who are socially excluded, out of education and not in employment. Through activity sessions and one to one support they aim to promote social inclusion. The group will work with 300 people and 5 volunteers.
Ignite	Glasgow City	£99,000	This project will use the funding to deliver free weekly drama sessions for young people aged 8-24 living in the Knightswood and Scotstonhill area. Workshops will be open to all young people but will have a specific focus on BAMER communities and new migrants. Funding will also support the development of theatre skills workshops which will allow young people to explore the production side of theatre work. The work will engage 150 young people over the 3 years between 20-30 of whom will become project volunteers.
Impact Arts (Projects) Limited	Glasgow City	£90,149	Over the next three years the group will use the funding to support care-experienced young people as they transition from care to independent living. The 'Make It Your Own' programme will teach practical skills aimed at creating a comfortable settled living space. It is anticipated that the project would benefit 288 young people from Glasgow, Edinburgh, Renfrewshire and North Ayrshire.
ProjectScotland	Glasgow City	£95,470	This group will use the funding to deliver a volunteering programme aimed at young people with mental health issues. It will engage between 100-120 participants between the ages of 16-24 over the two years, providing them with the opportunity to develop skills and experience in a supported environment.
Samba Ya Bamba	Glasgow City	£48,880	This group will use the funding to continue to deliver their Youth Band project for the next two years. The project will engage 500 young people from across Glasgow and 4 volunteers, approximately 50 young people will be involved in the on-going youth band work and around 450 will be reached through 9 taster workshops.

Organisation	Local Authority	Award	Project summary
Scottish Music Centre	Glasgow City	£90,000	This group will use the funding to provide free music-based mentoring, tuition and group activities to 250+ Care Experienced Young People between 8 and 24 years old across Scotland. Continuing from a 1 year pilot, this two year project aims to improve the mental and emotional wellbeing of participants with 15 volunteers.
Youth Highland SCIO	Highland	£76,775	This group will use funding to develop and expand their existing youth led service which trains and develops youth volunteers and leaders across the Highlands. The three year project will see Youth Highland support a network of youth organisations to train and encourage young people to take leading roles in the delivery and development of their own local projects. This project will engage with 500 young people and 150 volunteers over the course of the project.
MindMosaic Counselling and Therapy	Inverclyde	£60,000	This group will support children who require additional support in managing a range of issues. Through fantasy play and the use of imagination children will explore their challenges through group work using a superhero concept and will be supported by trained counsellors and peer mentors. Over the course of three years this funding will support 400 and 15 volunteers.
ACES	North Ayrshire	£72,204	This funding will be used to run a project aimed at young people over 14 who would like to volunteer in their communities. The young people will work alongside full time youth workers and will prepare a volunteers 'tool box' which will help them with their volunteering as well as preparing them for entry into further education, enrolling as an apprentice or starting employment.
PRYDE	North Ayrshire	£74,870	This funding will be used for a number of arts based workshops to provide young people with opportunities to gain skills and experience which could lead to volunteering opportunities or paid work in the creative industries. They will also run four dry club nights each year over the three years where young people themselves will be responsible for running all aspects of the event from manning the doors to booking the entertainment and the sound engineering.
Kibble Education and Care Centre	Renfrewshire	£64,422	This project will provide a programme of extracurricular activity for young people referred to Kibble's Safe Centre, where the core remit is to keep young people safe by providing secure accommodation and educational facilities. At least 50 young people will participate over the two years of funding.
Hansel Alliance	South Ayrshire	£38,653	This group will use the funding to support young people with disabilities aged 16 to 24 in work placements at the organisation's laundry, horticulture and catering enterprises in Hansel Village south of Kilmarnock, and with a network of local employers. The project will allow the organisation to pilot a more youth-focussed and youth-led approach which will benefit 15 young people from across the Ayrshires over one year.

Organisation	Local Authority	Award	Project summary
Addaction	South Lanarkshire	£99,936	This group will use funding to deliver a programme of activities for young people who have been affected by their own, a parent or a care givers substance use. The two year project will provide educational and skill based activities to promote positive mental health. The project will engage up to 95 young people per year aged 12-21 years old and 12 volunteers.
Callander Youth Project Trust	Stirling	£60,000	This group will use the funding to continue an existing employability programme which utilises the group's hostel, community café and function venue to provide young people furthest from the labour market with catering, hospitality and tourism training. The project will benefit 48 young people and 18 volunteers will provide support to the project over 3 years.
