

Summer Programme 2020

Magical and completely virtual 6 weeks of fun in the summer

Our first ever completely virtual (not in the project at all) programme.

While we are in the midst of the COVID-19 pandemic lockdown we are bringing our Summer of activities to your home, garden and outside spaces.

Most of our online classes will be using Zoom. If you haven't used this before don't worry, it is easy to set up on a phone, tablet, laptop or PC. Just get in touch with us and we can help you set it up. We will also provide some Zoom Tutorials online. Times for these will be published on our Facebook PYCP 97 before the summer holidays start.

Remember to complete the sign up form online to take part in our Summer Programme.

You must **live locally** to Pilton and Muirhouse area for us to deliver activity packages to your children.

Children's ages are determined by the current school year they are in unless they have just turned 5 and not started school. They will be P1.

For every primary child that is signed up for our Summer Programme they will receive a **fun in the sun kit**. We hope to get these delivered to you in the first week of the holidays and they will include various fun summer items like:

- ~Water soaker ~ Frisbee ~ Hula hoop
- ~ Water balloons ~ Chunky chalks ~
- Bubble set ~ Outdoor Games

Each week there will be 3 different activity types delivered (in 1 batch)

- P1- P7 Cooking/baking
- P1- P7 Arts and crafts
- Different age groups Zoom / online activity
- there will be instructions given out each week for these

There will be a storytime for P1-P4's every Thursday but any age can join in.

These stories will be read by staff in **English** and then re-read in **Polish**.

There will also be 1 competition with 1 prize for each age ranges:

~P1-P2 ~ P3 - P4 ~ P5 - P7 ~

There will be different activities and prizes for S1+ as well. They will need to sign up too and Adele and Harry will be in touch with them.

If we are oversubscribed we will offer places to children and young people who were attending PYCP regularly before lockdown.

We hope to give all the children a Summer to remember and hope parents and guardians can join in with some of the activities too.

We are new to classes online so please bear with us if there are any glitches.

If you have any questions then email us info@pypc.co.uk or **TEXT/WhatsApp** or phone us on **07544 525047**
