Welcome!

I am delighted to welcome you to Edinburgh Cocktail Week 2023, our fifth anniversary, which runs across ten days, Friday 6th – Sunday 15th October. If you haven't already purchased your festival wristband, please visit www.edinburghcocktailweek.co.uk

To celebrate our five year milestone, we have partnered with 100 of Edinburgh's very best cocktail bars, speakeasies and neighbourhood pubs to offer delicious £5 Signature Cocktails. To get exclusive access to these cocktails, simply buy one of our festival wristbands and show it at the bar when ordering. You'll find all the cocktails within this guide along with maps to help you navigate your cocktail route.

No matter which wristband type you have, weekday or weekend, your wristband is valid at all participating bars for the full ten-day duration of the festival so you can enjoy multiple days out.

Our celebrations also extend to our Cocktail Village at Festival Square, the social epicentre of the festival, which we have made bigger than ever before for our birthday. Entry to the Cocktail Village is free with a festival wristband and inside you will find 22 pop-up bars serving amazing cocktails from £5 (see opposite page). There's also a live music stage with a jam-packed programme of entertainment (don't miss The Spice Girl tribute night on Tuesday 10th October) as well as a selection of mouth-watering street food from the likes of Duck & Waffle, Pizza Geeks and Taberu Japanese Kitchen.

For the discerning cocktail drinker, we have a collection of award-winning 'Prestige Cocktail' bars to visit, where you can enjoy elevated cocktail experiences curated by the city's top mixologists (see pages 36–39).

We look forward to welcoming you. Please share your experience by tagging us in your posts: @edinburghcocktailweek (Facebook), @edinburgh_cocktailweek (Instagram), @edinburgh_cocktail_week (TikTok)

Cheers!
