

MOTHER'S DAY COMPETITION

This Mother's Day, your drawing could become a REAL cake masterpiece!

We're giving kids the chance to **draw a picture of their Mum** and have it **printed onto a Mother's Day Platter Cake** — meaning your artwork won't just be on paper... it will be turned into something delicious and shared at a real celebration!

WHAT YOU COULD WIN!

 The winner will have their drawing professionally printed onto a Mother's Day Party Platter Cake (yes... an actual cake platter!)

 **PLUS** the winner will receive their very own Mother's Day party bundle to take home and enjoy with their family!

 Your artwork could be the centrepiece of Mother's Day!
